

Truck Wash Technician

Join a Growing Team with Unlimited Opportunity

Advantage Fleet is a rapidly growing heavy-duty truck repair, fleet maintenance, towing, upfitting, specialty vehicle, and commercial truck wash company serving customers throughout Michigan. As our business continues to grow, we are looking to add a motivated and dependable **Truck Wash Technician** to our team.

If you take pride in your work, enjoy working in a fast-paced environment, and want to be part of a company with opportunities to learn and grow, we want to hear from you.

What You'll Do

- Wash semi tractors, trailers, commercial trucks, and other equipment using pressure washers, soaps, chemicals, and hand washing equipment
- Inspect vehicles before washing to identify areas requiring specialized cleaning or chemicals to remove grease, grime, road debris, and other contaminants
- Properly mix and dilute soaps and cleaning chemicals according to manufacturer and company specifications
- Complete washouts and participate in the department's rotating after-hours washout schedule
- Create customer invoices and process payments using company computer software
- Maintain wash equipment, tools, chemicals, and supplies in a clean and organized manner
- Ensure brushes, wash tools, and equipment are properly maintained to prevent damage or scratching to customer vehicles
- Maintain a clean, safe, and organized work environment
- Keep floors and work areas clear of trip hazards and other safety concerns
- Assist customers professionally and provide excellent customer service
- Assist other Advantage Fleet departments when there is downtime between washes
- Assist the Truck Wash Manager and Supervisor with additional department needs as directed

What We're Looking For

- Must be 18 years of age or older
- High school diploma or GED equivalent
- Dependable, self-motivated, and willing to work
- Positive attitude and strong work ethic
- Ability to work independently and as part of a team
- Strong attention to detail

- Basic mathematics skills
- Basic computer competency
- Strong communication and interpersonal skills
- Professional demeanor when working with customers
- Strong organizational and time management skills
- Ability to build positive relationships with customers and coworkers
- Goal-oriented and results-focused mindset
- Willingness to learn and grow within the company
- Ability to follow safety procedures and properly use required personal protective equipment, PPE

What Success Looks Like

A successful Truck Wash Technician takes pride in the appearance of every vehicle that leaves the wash, works efficiently without sacrificing quality, maintains a clean and safe work environment, and provides customers with professional and respectful service.

We encourage our employees to learn about the different areas of Advantage Fleet and work alongside team members throughout the organization. Understanding our customers, services, and departments creates additional opportunities for professional growth within the company.

We also encourage employees to establish both professional and personal goals and take advantage of opportunities to develop additional skills and advance within Advantage Fleet.

Performance Reviews

Employee performance and progression will be reviewed periodically, with a formal performance review conducted annually. Reviews will evaluate job performance, quality of work, attendance, safety, customer service, teamwork, professional development, and overall contribution to the department and company.

Employment with Advantage Fleet is at will, meaning either the employee or Advantage Fleet may terminate the employment relationship at any time, with or without cause or notice, subject to applicable law.
